REAL ESTATE AND PRICING GUIDE

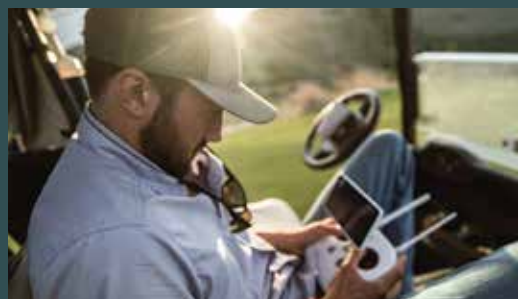

Vest Visuals offers a wide variety of digital media services, allowing our clients to choose a package that fits their unique marketing needs. We have bundled these services together so that the time we save by performing multiple services at one location can be passed on as a cost savings to our clients. You will find a-la-carte pricing for each of our services, as well as the pricing for our most popular bundles below.

TRAVEL

We will travel anywhere under 40 miles from our office (*180th & Harrison St Omaha NE, 68136*) free of charge. We charge 00.59 cents per mile for projects outside of 40 miles. Outside of 50 miles fees will dependv on distance and size of the project.

PHOTOGRAPHY SERVICES

- **Photos of a property's interior and exterior**, showing all rooms and highlighting its unique selling features.
- **24 Hour turnaround time** from the end of your appointment. If a faster turnaround is needed arrangements must be made at the time of booking.
- **Professional editing of all photos**, including: color correction, object removal, sky removal, etc.
- **High and/or Low Resolution photos** delivered via downloadable Dropbox link. Link will remain active for at least 45 days.

AERIAL DRONE PHOTOGRAPHY

- Photos of a home or property from an aerial perspective, shot using professional grade drone cameras. We take photos from several different heights, and make sure to capture angles that show off the entirety of the property.
- Location of property must be checked before shooting to ensure it is not in an FAA "No Fly Zone".

TWILIGHT PHOTOGRAPHY

- Twilight Photos capture a home in a dramatic fashion that just can't be reproduced during regular daylight. Shot in the hour closest to sunset (or sunrise)
- Twilight photos offer views of a home that stand out from the ordinary and stop buyers in their tracks.
- We typically provide 4-6 finished photos of a property (There is only a small window of time available to take photos while the lighting is best)

VIDEO SERVICES // WALK THROUGH VIDEO

- Video highlighting all of a property's interior and exterior features, using professional grade cameras, stabilizers, & sliders.
- 90 seconds in length, professionally edited including custom branding, music, & color grading.
- 24 - 48 hour turn-around time

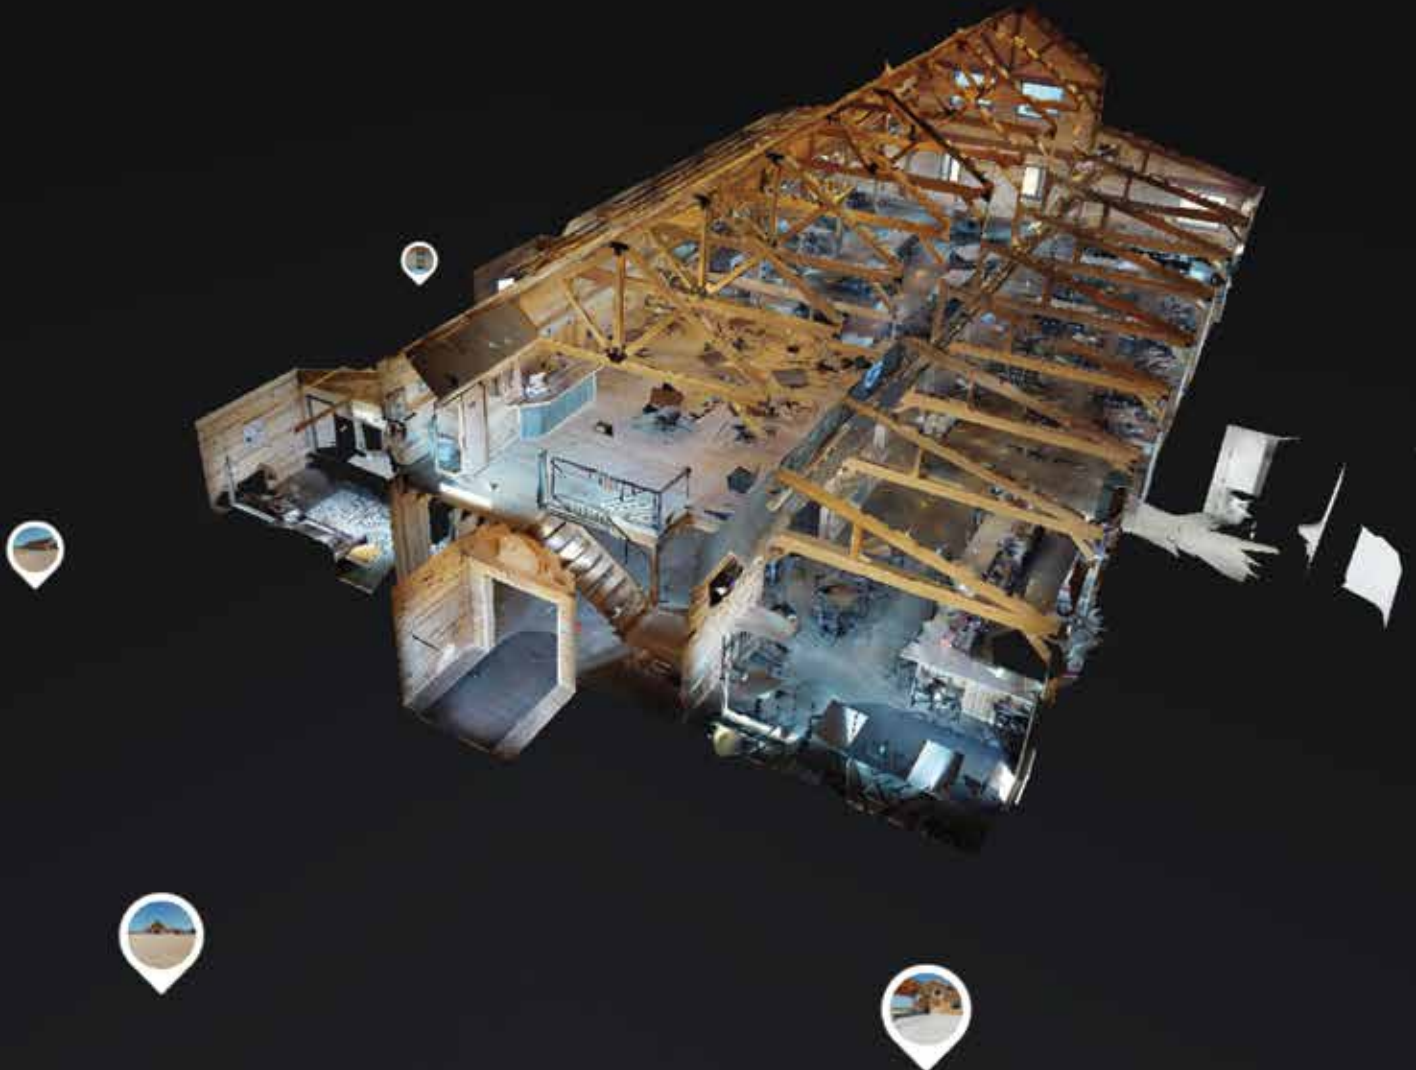

VIDEO SERVICES // AERIAL DRONE VIDEO

- Video ideal for farm properties, large developments, or homes that only want to focus on exterior features.
- Video length is typically be 30 to 60 seconds in length.
- Video will be professionally edited including custom branding, music, and color grading.
- 24 - 48 hour turn-around time.

MATTERPORT 3D VIRTUAL TOURS

Interactive 3D Virtual tours that give your property a 24/7 open house, and allow anyone to virtually walk through a home as if they were actually there. Viewers can walk in and out of rooms, up and down stairs, and even outside with our new 360 Views. This is NOT A VIDEO, it is a different form of media that is completely interactive and easily shareable.

- You will receive unbranded links for sharing on the MLS and/or Zillow, as well as an embed code for putting the 3D Tour directly on a web page.
- 24 Hour Turnaround Time
- For a small fee, we can generate 2D Floor plans with 99% accurate room dimensions to save you time measuring. (Requires additional 24 hour turn around time from the time 3D Tour is finished).
